**Subject: Substantial Completion
Vista Terrace Sanitary Sewer Improvements - Phase 1**

The Vista Terrace Sanitary Sewer Improvements has reached a sufficient state to be declared substantially complete as of November 18, 2014. A final walkthrough was performed and the punch list is attached with the final items of work that need to be completed. Upon the declaration of Physical Completion, the retainage will be released in accordance to the specifications.

If you have any questions, you may contact me at Blaine Public Works 332-8820.

Respectfully,

A handwritten signature in black ink, appearing to read "William Bullock".

William Bullock, PE
Assistant Public Works Director
