Blaine Seeks Input on Passenger Rail Station

Western Washington University students are trying to determine potential ridership if a passenger rail station was restored in Blaine, Washington.

The survey can be found at:

https://www.az1.qualtrics.com/SE/?SID=SV_6h6oEVDsPPJHgu9

Both Canadian and American potential and existing users are encouraged to complete the survey. It is short, and should only take a few minutes. The results will be presented to the state to determine the feasibility of the project.

For anyone unable to access this online, please contact Public Works at 360-332-8820 and we would be happy to assist by phone.

Further information on the topic, please visit our website at:
