CITY OF BLAINE COMPREHENSIVE PLAN 2016 PARK AND RECREATION ELEMENT Level of Service 2016 Map PR-2

LEVEL OF SERVICE METHODOLOGY

The Park and Recreation Level of Service (LOS) were determined analyzing 2010 CENSUS Block Population and adopted LOS standards listed in the Park and Recreation Element. The CENSUS Block populations were proportionally adjusted to City UGA boundaries. The Park and Recreation LOS standards are summarized as follows:

- Half mile LOS -- Regional and Community Parks
- Quarter mile LOS -- Neighborhood Parks
- Eighth mile LOS -- Parklets and Trails (high standard only)
- Specialty Parks were not included in LOS area calculations

The analysis identified **approximately 70.5% of the UGA population is within the LOS area.**
