Notice

This permit is issued by the Building Official and, under the provisions of the International Building Code, shall expire by limitation and become null and void if the building or work authorized by this permit is not commenced within 180 days from date of permit issuance, or if the building or work authorized by this permit is suspended or abandoned at any time after work is commenced for a period of 180 days.

All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not, including routine calls for all required inspections.

By affixing my signature, I hereby certify that I am the owner of the property for which this permit is issued or I am an authorized representative of the property owner. I have read this permit and state that the above information is correct, and I agree to comply with all city ordinances and state laws regulating the activities covered by this permit. This code shall not be construed to relieve from or lessen the responsibility of any person owning, operating or controlling any building or structure for any damages to persons or property caused by defects, nor shall the enforcement agency or its parent jurisdiction be held as assuming any such liability by reason of inspections authorized by this code or any permits or certificates issued under the code.
