2nd Annual City of Blaine Public Works Rodeo

Friday, August 25th

A Truck Load O' Fun for all Ages!

Blaine, WA- There will be a Truck Load O' Fun for all ages at the second annual City of Blaine Public Works equipment "Rodeo" on Friday August 25! The activities will take place downtown behind the Blaine Public Library at 610 3rd Street from 1-3 pm.

Experience big equipment in action with demonstrations, and interactive activities for kids of all ages, games and prizes!

Kids can climb aboard a variety of equipment while supervised for photos or just for the experience. Small children should be accompanied by an adult to ensure safety around equipment.

"Much of what we do is behind the scenes," says Ravyn Whitewolf, Public Works Director. "This event will provide the public of all ages an opportunity to interact with those doing the work to improve the quality of life for our citizens."

These types of events often include competitions between different operators as a way of refining skills and improving efficiency. This event will be more interactive and serve to demonstrate the capabilities of what the different types of equipment can do. It will be interesting and appropriate for all ages.

The Public Works Department is responsible for the operation and maintenance of all city utilities ([Water](#), [Wastewater](#), [Stormwater](#), [Electrical services](#)) as well as repair and maintenance of [streets](#) and public facilities. We also provide support for civic functions and special events and participate regularly in community enhancement projects and activities.

For more information, please call 360.332.8820 or visit our website at <http://www.cityofblaine.com/90/Public-Works>
