Subject: Thank you! (resent)

The Christmas tree glistened with lights.

The mini donuts and cocoa were just right!

The band and choir sang through the night!

And Santa Claus was a jolly ol' sight!

Thank you for making Blaine's
Holiday
Season Bright!

Community is a beautiful thing, sometimes it even heals us and makes us better than we would otherwise be. Community isn't so much of a locale as it is a state of mind. You find it whenever folks ask how you are doing because they care, and not because they're getting paid to inquire.
