1. Bid Results
- 

**Background/Summary:** The improvement consists of approximately: 6,820 linear feet of 15 inch sanitary sewer main located near Lincoln Park to the City's North Harvey Road. Sewer main will follow D Street, E Street, and extend through an easement within the East Maple Ridge plat. The project will also extend primary electrical system from its terminus on H Street and Odell to East Maple Ridge where it will join the sewer trench. Staff included an additive bid alternate to extend the infrastructure approximately 1,000 feet to the Harvey Road Reservoir.

In accordance with the Invitation to Bid for subject project, Public Works staff opened five sealed bids on Wednesday June 19, 2019, at 1:00 pm. The attached Bid Results summarize each bidder's total bid price.

The lowest responsive bid (without the additive alternate) was submitted by JIJ Corporation., whose bid was in the amount of \$1,998,744.08 including sales tax. The engineer's estimate was \$1,801,432.92. Based on these amounts and available budget, staff is not recommending the inclusion of the additive alternate.

---

**Budget Implications:**     Current Budget     New Budget Request     Non-Budgetary

This project will be paid out of the Wastewater Capital Fund (325) and the Electric Capital Fund (324). A State Department of Commerce Grant will match the local funds in the project.

---

**Recommendation:** Staff recommends that City Council accept the bid and authorize the City Manager to enter into a unit price contract with JIJ Corporation in the amount of \$1,998,744.08 including tax.
