Hello Blaine City Council Members,

I'd like to invite you to attend the World Day of Remembrance for Traffic Victims next Thursday, November 14th, at 5:00 pm at Bellingham City Hall. World Day of Remembrance is a day set aside to remember the people who have been killed in traffic crashes, support those who have suffered loss, honor the emergency responders who care for crash victims, and envision a future where we don't lose our friends and family to traffic crashes. A flyer is attached and you can find more about our event at <https://www.thewisedrive.com/world-day-of-remembrance-2019/>

I'd also like to thank you for your service to our community. The safety of our roads is dependent on local leaders who are willing to give their time and wisdom. Leadership is challenging and your commitment is appreciated.

Sincerely,

Doug
